### Bicycle Logos Painted on Kensington Streets... What Gives?

For the past three weeks, bicycle logos have been painted on certain streets in Kensington, leaving residents baffled as to what they meant. The mystery of the logos was revealed when Jim Baross, president of the San Diego County Bicycle Coalition, addressed the Kensington/Talmadge Planning Committee on May 11.

The name of the logo is a "sharrow," and (among other indications) it is a reminder for all drivers to share the road with cyclists. Baross said that San Francisco was the first city to receive the sharrow on an experimental basis and, after a two-year test period, they were deemed effective for statewide use. Kensington is the first San Diego community to receive the sharrow, and they are now appearing on North Park and Normal Heights streets.

Baross said that the sharrow markings are intended to show where cyclists can ride on the street without being hit by car doors that open suddenly. Although it is the motorist's responsibility to check before opening their door, riding too close to parked cars in the "door zone" is a common mistake that can lead to serious injury to bicyclists.

The sharrow markings will also be used in situations where it may not be obvious where cyclists should be riding (such as at intersections with multiple turn lanes) and to guide bicyclists on the best streets without hills or major traffic. The streets with sharrow will evolve into an interconnecting network of routes for cyclists with minimal inclines and less traffic, with a long-range goal of increasing bicycle ridership along safer, easier routes.

**SAT JUN 11            10:30 AM            20 MILES            \*\*\*            HIGH DESERT FAT TIRE DIRT ROAD RIDE  
WITH VIEWS**  
Lark Canyon staging area,  
just before Lark Canyon Camp Ground

Dave. To get to the start of the ride, take I-8 east to Boulevard/Manzanita exit # 65, right at the end of the off ramp to stop sign. Left on Old Highway 80 to McCain Valley Road. Turn left on McCain Valley Road and travel approximately 5 miles to the Lark Canyon staging area and campground. Parking is FREE in the staging area. Please do not park in the way of off roaders.

McCain Valley road is an almost car free (usually), graded rolling dirt road. Along the entire route there are views of the mountains to the west and the low desert to the east. On a clear day from the scenic overlook you can see Mexico to the south, the Salton Sea and clear to Arizona to the east and 10,000 foot high mountains to the north. Tunnels, a train wreck and the Carrizo Gorge RailRoad can also be viewed. Please note there are no services except enclosed pit toilets (with a roof & locking doors!) at the campground and at the halfway point (Cottonwood campground). This is an out and back ride on the same road. Bring a lunch that you can transport on your bike (PB&J?) and eat at a campground table or pick a spot with a view. Make sure you have more than enough water as the air is usually very dry and no known potable water is available. This is a HIGH DESERT ride and this year the weather will be...? I would check the Classic Weather Underground web site for Boulevard & Jacumba for temps, etc. and dress accordingly. For after the ride activity, may I suggest a lawn chair, a shady spot, a good book and/or a siesta, along with a cooler with cold water, soda or fruit juice. A hike is also possible if you wish to exert yourself. Remember, fat knobby tires aired down a bit are best. The road is an easy drive even in a low slung passenger car, but on a bike there are a few soft spots so knobby tires offer a more secure ride. On the return home, don't forget to stop in at the Wisteria Candy Cottage on Old Highway 80 for some candy made right there in Boulevard.

We will either do a coastal ride to the north of about 30 miles or we will go inland about 25 to 28 miles. The lunch stop will be along the route and we will enjoy scenery and conversation as we ride.

Welcome Home Potluck for Susan and Bob  
\*Check your email for the address\*

Priscilla. In the spring of 2008, Susan White and Bob Laurence moved from their longtime home in San Diego to Brooklyn, New York. Bob had recently retired from his job as a television critic at the San Diego Union-Tribune. Susan had taken a buyout and left her job as an editor at the U-T, and was about to start a career at ProPublica, a new, experimental, nonprofit newsroom specializing in "Journalism in the Public Interest." And now, Susan and Bob have aimed their Mazda westward, with dog and cat in the back seat, as they were when they drove east three years ago. And the Knickerbikers are getting together to welcome them home!

Please bring a prepared dish to share as well as the beverage of your choice. As we will be both inside and outside, you might want to bring a jacket. There is no need to bring desserts as Priscilla is providing desserts as well as paper goods. Please, please RSVP!

Amarin Thai Restaurant (619 296 6056)  
3843 Richmond Street (South of University Ave.)

Barbara. Hunting for information about Amarin Thai, I found the following review of Amarin Thai on Yelp (yelp.com) "Quite possibly the best Thai in San Diego. Tucked away just off of the main drag, Amarin Thai doesn't look like anything special at first blush. That said, the food is top notch, and the new dining room really looks nice. Service is generally good, and the staff is almost always in colorful Thai costume. Try the green curry, you won't be disappointed." Classics like panang curry pad thai are executed nicely at Amarin, but the real excitement lies in fancifully-named dishes like chicken volcano.

## SURPRISE!

### **ONE MORE CHANCE FOR A KNICKERBIKER JERSEY**

We just finished our third order for Knickerbiker jerseys, and a few people are commenting that they missed out on the action. So we will give them one more chance! This time, though, we have a firm cut-off date of September 1. If we don't have 15 orders by then (that means checks--see below), the deal's off. Some are considering buying a second one (hint, hint).

Voler reduced the price slightly, so the total (including tax and shipping) is now \$85. You can send a \$45 deposit or the full amount before September 1 to Ken King, 8590 Cliffridge Ave., La Jolla, CA 92037. The check won't be cashed until the order is placed. He will need to know the size, the cut (race or club--race is very form-fitting), short-sleeved or sleeveless, and men's or women's.

PHILOSOPHY. Our club, the Knickerbikers of San Diego County, was established on Friday, May 31, 1974. Forty-three charter members subscribed to the idea that a regular program of bicycle touring experiences could be offered without involving institutional encumbrances. In effect, our club was purposefully not organized. There are neither rules nor regulations, no club officers - aside from our tongue-in-cheek representative office of Knickercommander (the club servant) - and no business quorum. Everyone is still responsible for himself or herself. It was and still is a simple idea, which is to go ride our bikes! Two founding principles guide our group behavior: it's nice to be noticed, and it's fun to be a kid again.
