### Thinking about Tucson

*Cindy Tozer*

What I do know is that you Knickerbikers laugh a lot - to me, that means you are good friends, and clever friends.

*Pam & Dwight Filley*

Just want to say how much Dwight and I enjoyed meeting you all last week - what a fun group you are! We look forward to lots more riding, traveling, eating & partying with you!

*Joi Brewer*

One of the really cool things for me was the bike church. I don't think we have any such commeration for our fallen brethren.... I think it is special...and the fact it is made of welded bike frames, and really could be portable to anywhere is neat....I think we need one here ~

*Ken King*

1) Thanks to all the Tucson trippers for entrusting your vacation to me! And thanks for riding safely.  
2) The weather gods looked favorably on us. Perfect temps and light winds. Let's hope that we'll be as lucky next year.

 2965 Historic Decatur Road, Liberty Station

Sharon & Eric Goodis (619 787 7427). The Corvette Diner, San Diego's original rock-n-roll joint with 1950s décor, classic diner dishes, and gum-smacking, bouffant-haired waitresses has pulled up its 22 year-old Hillcrest roots and cruised to new digs in Historic Liberty Station, where there is free and abundant parking. Since it's too dark to ride but we do want to exercise, let's meet at 6:00 PM, leave at 6:05 PM for a walk through Liberty Station, and then join the non-walkers at the restaurant at 6:45 PM. Executive Chef Daniel Diaz has added new items to the menu, including a large selection of salads, sandwiches, and wine, but still maintains the classics, including deep-fried pickles.

This leg of the trip is about 30 miles. You can take the Coaster back to the start of the ride at 12:31 PM or continue back home for another 26 miles through Rose Canyon and past UCSD before arriving back in Encinitas. This will be a 'working' potluck. There will be an unstructured discussion of Summer 2010 tour possibilities including Land's End to John O'Groats. Perhaps others will have other tours they would like to bring up at this time. Come out and find out!

**HOLIDAY POTLUCK!**

Mira Mesa Public Library, meeting room  
8405 New Salem St

This year, the annual Knickerbiker Christmas Party will be held in the meeting room of the Mira Mesa Public Library at the corner of New Salem Street and Camino Ruiz behind Walgreen's Drug Store on Camino Ruiz. Park anywhere in the parking lot and head toward the main entrance to get to the meeting room which has three double doors that open onto the entryway.

The library is one block north of Mira Mesa Blvd. but it is strongly advised to avoid traveling east on Mira Mesa Blvd. due to rush hour and Friday night evening-out traffic. If you are coming from the west, take either Calle Cristobal or Miramar Road, then go north/south (depending on which of those roads you take) on Camino Ruiz directly to the library. If you're coming from I-15, the traffic flow should be much easier. Turn right on New Salem to get to the library from that direction. The library is at the end of a long block just before the next traffic light.

Singles, please bring one hot dish or one cold dish; couples, please bring one of each. Please bring your own beverage as well. Coffee and tea will be provided, along with paper plates and utensils. The room has long tables and each one seats approximately ten people. There is room for approximately six tables without crowding. There is a sink in the room but no other kitchen facilities so be prepared to bring all party supplies and to wash your dishes at home. We are responsible for leaving the room as we found it. There is also access to restrooms.

To celebrate the holiday season, we will again have our gift exchange: if you wish to participate, bring a wrapped bicycling-related gift, new or used (\$10 value, more or less). If you bring a gift, you will receive a gift, and the distribution will be decided by using a deck of cards. Official rules will be divulged in detail at the event.

For additional information, call Lois Horowitz (858 610 3444) or Sharon Goodis (619 787 7427)

POWAY/RANCHO BERNARDO RAMBLE  
OAK KNOLL RD. at the corner of Poway Rd.  
one block west of Pomerado & Poway Roads

Lois Horowitz (858 610 3444). To get to Oak Knoll Road, exit I-15 onto Poway Road (only goes east). Turn right at Oak Knoll which is one block short of Pomerado as you go east. (Do NOT park in the shopping center parking lot as it's very small - park on Oak Knoll.) Lois thinks there's a Denny's on the corner. Poway is called the city in the country and we'll be seeing that. Then we'll swing up towards Rancho Bernardo to swoop around some gorgeous neighborhoods in the Green Valley section. Don't miss it! We'll eat at the Mexican restaurant in the small shopping center near our cars after the ride. Call or email Lois (loaloro@yahoo.com) if you want a route slip as she doesn't have a printer.

You can sign up to lead a ride or schedule an event for the Knickerbikers in several ways:

- call Sharon Goodis - 619 787 7427
- email [pezzie@san.rr.com](mailto:pezzie@san.rr.com)
- [www.knickerbikers.com](http://www.knickerbikers.com)

Click on tab marked "Outings" and then click on -> Sign up to lead a ride!  
Once you are there you can also see the calendar and available dates.

That's all it takes to get *your* ride or event into an upcoming Knickerbiker Bull-A-Ton!

SUN DEC 13 9:00 AM 48 MILES \*\*1/2 OCEANSIDE TO FALLBROOK  
 OCEANSIDE HARBOR PARKING LOT  
 East of the railroad track through the tunnel  
 Oceanside

Jeff Gianformaggio (619 255 2890). Jeff will lead us from Oceanside to Fallbrook and back. Lunch will be at the halfway point; a deli in Fallbrook.

The community of Fallbrook began in the area known today as Live Oak County Park. The first permanent recorded settlement was in 1869, when the Vital Reche family settled here. They named the new community Fall Brook after their former homestead in Pennsylvania.

The present town site was plotted in 1885. The original Fallbrook School, though closed as a school in 1939, still serves the community as the Reche Clubhouse. One of the community's churches was constructed in 1890 and is still in use today.

Oak trees were the original primary trees in Fallbrook. Olives became a major crop by the 1920s and continued through World War II, but were eventually phased out in favor of the present avocado and floral industry.

Belle Jour (619 787 7427). Since it's too dark to ride but we do want to exercise, let's meet at 6:00 PM, leave at 6:05 PM for a walk around the area, and then join the non-walkers at the restaurant at 6:45 PM.

When Pat & Oscar opened their first restaurant in 1991, they had a great vision of creating a family escape they couldn't find in San Diego - one similar to their special dining experience at home. They wanted a good value, where one night a week the cooking and dishes were left behind. The recipes had to be the highest quality, true to family tradition and fun to share. The kitchen had to be the "Heart of the House". The atmosphere had to be casual yet relaxing, where something is always happening. And the décor had to be warm yet family-friendly, where nothing is "fancy" so that a kid can be a kid. With almost 20 locations later, this dream has been brought to millions of people who have stopped to smell the breadsticks.

SUN DEC 27 ~160 MILES VENTURA ADVENTURE  
 through Loops out of Ventura to Santa Barbara, Ojai,  
 WED DEC 30 Fillmore, etc.

Ken has been encouraged to repeat the popular Santa Barbara/Ventura County trip near the end of December this year, so let's go for it! In the past we have attempted to work with AMTRAK with little success (they often reach their limit of 3 bikes per car, turning us away) so this year, let's just carpool up.

We will stay three nights in Ventura at the Clocktower Inn, so plan to arrive on Sunday December 29. While we can't check in until 3:00, we can certainly drive up in our cycling duds and ride on Sunday

anyway. Then on Monday we can do the nice 50 mile loop to Ojai and Santa Paula, returning to Ventura for a second night at the Clocktower Inn. On Tuesday we will head southwest to Fillmore for lunch and back

(about 45 miles). On Wednesday we check out of the motel, but there's still time to do some local riding, enjoying the Ventura area. If you wish to spend less than the three nights up there that works too.

Please let Ken know if you are going, but it's up to you to get the motel reservations and make your travel arrangements. Ken will provide maps, route slips, and a daily itinerary of things to see. Let him know at [knickerb@san.rr.com](mailto:knickerb@san.rr.com) if you plan to go and have made reservations.

Information on The Clocktower Inn: Seven rooms have been reserved under the Knickerbiker name (or maybe they used Ken King's name as well), but these were released on November 30. CALL THE HOTEL SOON IN CASE THEY SELL OUT. Our rate is \$109 plus tax (same as last year) and includes some happy hour wine and snacks as well as a breakfast. Call the hotel to make your own reservations, and mention that you are taking one of the rooms Ken has reserved. Clocktower Inn on Mission Park, 181 East Santa Clara St., Ventura, CA 93001 (800 727 1027). We hope you can join us!

Throughout the years the Venetian was part of the prestigious Zagat Rating, featured in San Diego Magazine, and revealed to numerous viewers of various local television channels. Even after receiving numerous awards this local Point Loma restaurant is still humbled by the fact that many professional athletes, TV personalities, established chefs, and food critics enjoy their delicious Italian cuisine.

### Don't Make Drivers Pass You Twice

Here's a common situation that can easily result in annoyed motorists and dangerous driving if handled the wrong way:

**A number of cars have rolled past you and now they're stopped at a red light. You have 2 choices:**

---You can stop behind the last car, move forward when it does -- and maybe get caught by the light again, losing another couple of minutes.

---You can ride up the edge of the road to the front of the line, passing all the cars that just passed you.

We're as guilty as the next roadie of making the second choice, even though passing like this is unsafe if not illegal. (We're talking about roads *without* wide shoulders or bike lanes.)

**Now at the front of the line again, you have 2 more choices when the light turns green:**

---You can push off immediately and resume riding.

---You can stand still to let the drivers move ahead or turn in front of you, then go before the green light changes.

To ensure peace on Earth, the second way is recommended. Because if you don't let the traffic go, you'll be forcing each driver to pass you a second time.

Trade places with one of them. He just managed to get around you, and now you're in front of him again. He was considerate once but got nothing in return. Maybe this time he'll use the horn and squeeze past. Maybe he'll swerve and cut in to "teach you a lesson."

If you want a guaranteed hassle, leave first again at the third light.

Since there seems to be some interest in another Knickerbiker club jersey order (even though we have almost 50 cyclists wearing it now!). If we can reach the minimum order (15) in the next month we can have them that much sooner, so order now! The total cost is \$91 and a \$45 deposit gets your name on the list. Send the money to Ken King, 8590 Cliffridge Ave., La Jolla, CA 92037. The check won't be cashed until the order is placed.

By the way, a question came up recently about how long you have to be a member to wear one. Huh? There are no requirements; you don't even have to subscribe to the Bull-A-Ton to wear one. Remember that we have no rules and only two guiding principles: it's nice to be noticed; and it's fun to be a kid again..

DESERT CAMPING ADVENTURE  
WITH A CYCLING CENTURY  
ANZA-BORREGO STATE PARK

Ken King (858 450 0373). Ken is interested in getting some Knickerbikers out to the desert again in 2010 to staff a pit stop for the 2010 Stagecoach Century, but he wants to combine this with a camping and hiking event. So we can bike, hike AND camp! In the desert! The sixth annual Wells Fargo Stagecoach Century <http://www.shadowtour.com> on Saturday January 16 is a pristine desert ride travelling through California deserts on County Route S2 in east San Diego and Imperial Counties. Marvel at stunning vistas from five desert passes along the route. *Bicycling Magazine* has rated Stagecoach as a "Best in Cycling Event" three years in a row! Here's your chance to enjoy a hassle-free 100-mile ride with just two lonely stop signs, at the ideal time of year for desert cycling! The out-and-back course is fully adjustable for your own mileage preference and offers full rider support in both directions. Ken will reserve a camp site for Friday, Saturday and Sunday at Aqua Caliente, which has a large "therapy pool," clean hot showers and good hiking nearby. We can support the riders on Saturday and ride or hike on Sunday. Come on out early Friday morning and stay until noon Sunday if you want, or just come out for either Saturday or Sunday. We will hike either Blair Valley or Moonlight Canyon, and perhaps go over to the Goat Canyon Trestle via Dos Cabezas. If you are interested, let Ken know right away. The price will be nominal, and it will depend on how the meals will be handled (group or individual).

PHILOSOPHY. Our club, the Knickerbikers of San Diego County, was established on Friday, May 31, 1974. Forty-three charter members subscribed to the idea that a regular program of bicycle touring experiences could be offered without involving institutional encumbrances. In effect, our club was purposefully not organized. There are neither rules nor regulations, no club officers - aside from our tongue-in-cheek representative office of Knickercommander (the club servant) - and no business quorum. Everyone is still responsible for himself or herself. It was and still is a simple idea, which is to go ride our bikes! Two founding principles guide our group behavior: it's nice to be noticed, and it's fun to be a kid again.
